## **BUSINESS INFORMATION**

\*1. Provide a brief overview of your company. (150 words or less)

*2. What is the specific innovation for the product or service you are pitching? (150 words or less)
*3. Do you have a prototype, sample, or beta version of your product/service, or is your product/service commercially available? Please describe the stage of development of the primary product or service that you are applying to fund with 76West. Is your prototype on paper, in the lab, in testing in the field, or have you sold working versions of your product to customers who are using it today? (150 words or less)
*4. Has your product or service been tested or validated to confirm your claims? By whom? What were the results? What further testing or demonstration are you planning? (150 words or less)
*5. What is the clean energy impact of your product or service? How much energy is saved, generated, or fossil fuel displaced? How do you help the adoption or expansion of renewable energy? Quantify how greenhouse gases are reduced, captured, or mitigated? Explain the ones that apply. Refer to the website Competition Details, Defining Clean Energy for details.

*6. Tell us what makes your team qualified and special (150 words or less).
7. Describe your target customers. Have you talked to them? How do you plan on reaching them? (150 words or less)
*8. What are the specific customer needs or problems you are working to address? How are these needs currently being addressed? How is your approach better than others? (150 words or less)
*9. Tell us about your target market, its size and growth. Have you validated your market with customer research? Please
describe your method and results. (150 words or less)

*10. In words, how does your company plan on making money? (i.e. selling a product or service, licensing, subscription model, etc.) (150 words or less)
*11. Do you have sales of your product or service?  Yes No If yes, please describe below. If no, when is your target date?
*12. What are your initial thoughts on how your business will positively affect the economy of the Southern Tier of New York State? Provide an estimate of the kinds of jobs and the rough numbers that could be created with the growth of your company in the region. NOTE: to be successful in 76West, you need to pitch how winning 76West will have an economic impact on the Southern Tier. Job creation is a key objective of 76West. We will help you further develop this plan if you advance to the Finals. (150 words or less)
*13. Has your company raised any funding to date?  Yes No NOTE: You do not need to have raised funds to be eligible for 76West.
